Daguerre Canvas

400 gsm, Poly-Cotton, bright white

Product Description

Daguerre Canvas is a poly-cotton artists' canvas featuring a fine surface texture, coated for premium inkjet printing. This bright white canvas offers maximum aging resistance. It guarantees an extremely large colour gamut and high colour density.

Applications and Characteristics

Daguerre Canvas lends itself particularly well to portrait photography, digital art as well as art reproduction. It can be framed, stretched and varnished after printing.
